

# The choice is yours: Home delivery or pharmacy pick up

Getting a 90-day supply of maintenance medicine\* is easier than ever. Choose convenient home delivery or pick up at your local CVS/pharmacy®. You're in control with two ways to fill your medicine:

## CVS/caremark® home delivery service

- Easy delivery to your home, office or other location that works for you
- Medicine arrives in private, tamper-resistant, and when needed, temperature-controlled packaging
- Automatic refill options help you stay on track
- Manage your prescriptions and track orders 24/7 at **Caremark.com**

## CVS/pharmacy®

- Pick up your medicine on your schedule
- Enjoy same-day prescription pick up
- Talk with a pharmacist in person

## Get started today

### To begin home delivery service:

- Go to **Caremark.com/90day**
- **Register** or **Sign In** and have your prescription benefit card ready
- Follow the guided steps to request a prescription. Once we have your information, we will contact your doctor for a 90-day prescription of your current medicine
- Or, you can call the toll-free number listed on the back of your prescription ID card.  
**Be ready with:** your prescription ID card, mailing information, long-term medicine, prescription payment method and doctor's information

### To select pharmacy pick up:

- You can register at **Caremark.com** to select your preferred CVS/pharmacy
- You can visit your local CVS/pharmacy and talk to a pharmacist
- Or, you can call the toll-free number listed on the back of your prescription ID card and we will take care of the rest

**Caremark.com**

\*A maintenance medication is taken regularly for chronic conditions or long-term therapy. A few examples include medications for managing high blood pressure, asthma, diabetes or high cholesterol.
