

## Total Rewards

Due to the school closures and restrictions issued to help prevent the spread of COVID-19, Westlake will extend the deadline to submit applications under the Westlake Dependent Scholarship Program until **Friday, March 20th**.

For applicants who were not able to obtain a guidance counselor's signature, we will accept and review applications without the signature (contact information for the high school guidance counselor must still be provided). All scholarship awards will be contingent upon verification with the guidance counselor at a later date.

If you should have any questions, please reach out to the Total Rewards Department at 800-284-0270 or [benefits@westlake.com](mailto:benefits@westlake.com).
